

# MGM Public School

## Annual Report 2021-2022

“The best brains of the nation may be found on the last benches of the classroom. All of us do not have equal talent. But, all of us have an equal opportunity to develop our talents. Excellence happens not by accident”. Dr. A P J Abdul Kalam

The whole world suffered a lot for the last 2 years by the evil spell of COVID pandemic. With heartfelt gratitude to Almighty God and depending on the intercession of our Patron, **Saint Gregorious of Paramala**, after whom MGM Public School is named and **Late Lamented Stephanos Mar Theodosius of blessed memory**, the great visionary in the field of education, I here by present the Annual Report of MGM Public School for the academic year 2021 22.

MGM Public School is proud to be part of MGM group of schools which has more than 35 schools and a few colleges under its umbrella . I am really thankful to our Manager Bishop for his concern, care and timely guidance. I am also thankful to members of Local Working Committee, Parents Teachers Association, School Managing Committee and Child Abuse Monitoring Committee their guidance and support.

MGM has been a very old name in the field of education through the length and breadth of India. Particularly in Bhilai, Chhattisgarh, MGM is a trusted name for more than half a century. We render

education to all the kids without any discrimination in caste, creed or religion.

We provide various opportunities and platform to develop various life skills to make them efficient and courageous.

Our teachers toil hard to make them vibrant and creative helping them to grow in a better way. For this, we give importance to co-curricular activities along with Academics. In the year 2022 our first batch of Class 10 appeared for the All India Secondary School Examination conducted by CBSE and we scored a 100 percent result with **Ms. Ojasvi Verma** scoring more than 90% marks .

**Examinations:** For the academic session 2021-22 classes were conducted in both online and offline mode. The internal examinations for the classes from Pre primary to class 5 were conducted in online mode. In Class 6 to 8 exams were in hybrid mode for class 9 and 10 all the exams were in the offline mode.

**Professional Development Program:** In order to update our teachers with the latest, in the fields of education, teachers training programs were conducted online and offline from time to time throughout the academic session.

**Co-curricular Activities:** We believe in the holistic development of our students. In order to develop our children to face the multi facial challenges of life we organize various Competitions. But unfortunately last year most of the competitions were organised in online mode for the students.

**Celebrations:** To enrich our students with the Social, Cultural, and Religious realities, Festivals and special days were celebrated in online mode.

**Sports:** Along with Academics we train our students for their physical development also. Though the situations were not very good we could conduct the Annual sports for Pre-primary in the 1st week of December.

**MGM Fest:** Though COVID gripped the whole world and movement was paralyzed, MGM Group of Schools can proudly say that we successfully conducted the inter-school Cultural competition in which more than 24 schools participated. I feel proud to say that our School stood second in the MGM Fest.

**Covid vaccination:** As per the government orders, students, staff and other people were vaccinated for covid-19 in our school premises with the support of the Government Health Department.

### **State Level,National level achievements :**

**Fencing :** Our students, Rashmaan and Toshika won medals in 34th National Junior Fencing Championship held in Uttarakhand. They also bagged medals in National fencing Championship held in Cuttack Orissa.

Kulraj Kaur, Rashmaan Dhiman, Toshika Jaiswal and Anuj grabbed medals in 24th School state level fencing Championship. Rashmaan, Toshika and Anuj also brought laurels for our school in Khelo India.

**Athletics :** Our student Krrish Sahani set a new record of 10.86 seconds in 100 m race in 22nd School State Level Athletics competition.

Thanking God Almighty for His immense grace and depending on the intercession of Saint Gregorios of Parumala I humbly present this Report.
